

Wollaston School: 2019/20 Curriculum Map for Enterprise

Curriculum Lead: Lydia Pickwick

Enterprise is an important part of the business sector and plays a major role in the UK's global economic status. The role of entrepreneurs is to help create wealth for the nation and its citizens through the creation of enterprises that innovate and grow the economy. Throughout this qualification students will learn about the ideas, mindsets and successes of enterprises and entrepreneurs. They will learn about planning, finance, including cash flows, and how to take a product to market and will develop an idea for a small enterprise of their own and plan how best to set it up and fund it.
